There are 18 day routes (divided between 8 trolleybus routes and 10 bus routes) and 1 night route. This guide provides you with all important information on travelling by Žilina public transportation.

## Planning your journey - [www.dpmz.sk](http://www.dpmz.sk)

For planning your journey, please check the website [www.dpmz.sk](http://www.dpmz.sk), where you can find travel timetables, a journey planner, e-shop to buy city chip cards as well as up-to-date information on changes in public transportation

## Travel tickets

When traveling on public transport lines in Žilina, a **time tariff applies**. With all tickets you can transfer buses without any limits within the validity of the ticket and valid on all connections in day and night transport.

**If you don't travel often**, you can use single travel tickets when traveling. You can use a paper ticket purchased before boarding the vehicle, an electronic ticket purchased via a transport card or debit/credit card in the validator in the vehicle or an SMS ticket purchased via your mobile phone. If you travel with hand luggage, you can save by using a combined ticket.

**If you travel more often**, use the opportunity to travel cheaper by purchasing prepaid travel tickets, which you can buy at the DPMŽ ticket and information offices or through the e-shop at [www.dpmz.sk](http://www.dpmz.sk).

**Paper travel tickets** are sold outside the vehicle (vending machines, contract dealers and DPMŽ ticket and information offices). If necessary, you can use the additional ticket sales with the driver.

## Getting on and off the bus

**Operating Hours (5:00 A.M. - 11:00 P.M.), getting on and off the bus is allowed by all doors.**

If you have a children pram or a wheelchair, you can get on by the door marked by the respective sign (usually the second or third door). To get in or get off with the pram or wheelchair, notify the driver by pushing the button located next to the door.

**At night (11:00 P.M. - 5:00 A.M.), getting on the bus is allowed by the front door only.**

## Ticket Validation

**Paper tickets must be validated in the validator when boarding the first vehicle.** In the case of a transfer during the validity of the ticket, the paper travel ticket is not marked again. To validate a ticket, insert it into the hole in the direction of the arrow for about 1 second. The validator will beep and the relevant data will be printed on the ticket.

**The electronic ticket** must be purchased at the validator when boarding the first vehicle. Attach the transportcard or debit/credit card to the validator at the designated location and follow the instructions on the screen. Electronic travel tickets purchased with a payment card can only be purchased in yellow markers.

**Prepaid travel tickets** can be purchased at points of sale or through the e-shop. Prepaid tickets do not need to be marked.

According to Slovak Act on the protection of non-smokers (No. 87/2009) **it is forbidden to smoke** in all busses and in the area of bus stops and shelters as well as in the distance of up to four meters from the designated platform.

Each vehicle has seats reserved for elderly, less mobile and blind passengers, as well as space for a pram or wheelchair. **Please leave these places and space for those who need it, make it easier for them to travel! We thank you.**
